The cost will be \$45 for participants and \$20 for staffers/elangomats. We look forward to your arrival!

Elangomats, **WE NEED YOU!** We need your help during Induction Weekend! Do you remember the Elangomat that helped you through your Induction Weekend? Well now we are calling on you to be an Elangomat for your fellow scouts and the newest members of our lodge!

Upcoming Opportunities:

► **Camp Berry Service Day!**

Come join your fellow Arrowmen and Scouts on Saturday May 5, 2018 for this wonderful service opportunity! Camp Berry has recently gotten approval for a camp-wide tree planting project. This project will consist of replacing old, fallen down, and removed trees from around camp. The camp will be planting nearly 120 trees scattered about camp and will be doing it in multiple phases. The first phase will be taking place that Saturday starting at 8:30 am and will only be about 35 of the 120 trees. We will be meeting on the porch of Donnell Lodge at that time. Please come prepared wearing your work clothes and work gloves. We need as many people as we can get to help out as this is one of the larger projects the Lodge has taken on for the Council.

► **We need YOU to join a committee!**

Without committees our lodge couldn't function. It's our members like you who use their talents to benefit the lodge each month. We've got various committees for you to choose from utilizing skills in technology and art to even photography and event management. If you've got a hobby in any of these, you can put it to use for a great service organization like ours. Time commitment is limited and the rewards are great! Please email vcadmin@mawatwoakus.org to find your fit!

► **Summer Camp 2018!**

Summer Camp is quickly approaching! Whether you are going to Camp Berry, Camp Lakota, or even an out-of-council camp, please make sure have all of your materials ready for callouts. If this means you will need a letter from the Lodge Chief, please make sure you are contacting us to get this information around for you. Each of our council's camps are going to have an Order of the Arrow Camp Chief at them this year. During each week of summer camp, they will be the main resource for all things OA. Please see them with all of your Order of the Arrow questions and concerns. They will also be the ones conducting Brotherhood testing throughout these weeks. Please utilize these people as they are a great resource to our camps.
